

Electric Vehicle Charging Point Location Map 2017

Payments and administration of electric vehicle charging points is provided by Charge Place Scotland.

Step 1

Download the free app

Use the app while on the go to locate a charge point, plan a route, check availability and tariffs, start, stop and pay for charging on all app-enabled charge points. Download free from the [App Store](#) or [Google play](#).

Step 2

Register your debit or credit card to enable payment for charging

Some charge points are free to use and some are pay to use*. Register later using the app or now via the website.

Step 3

Purchase an Access Card

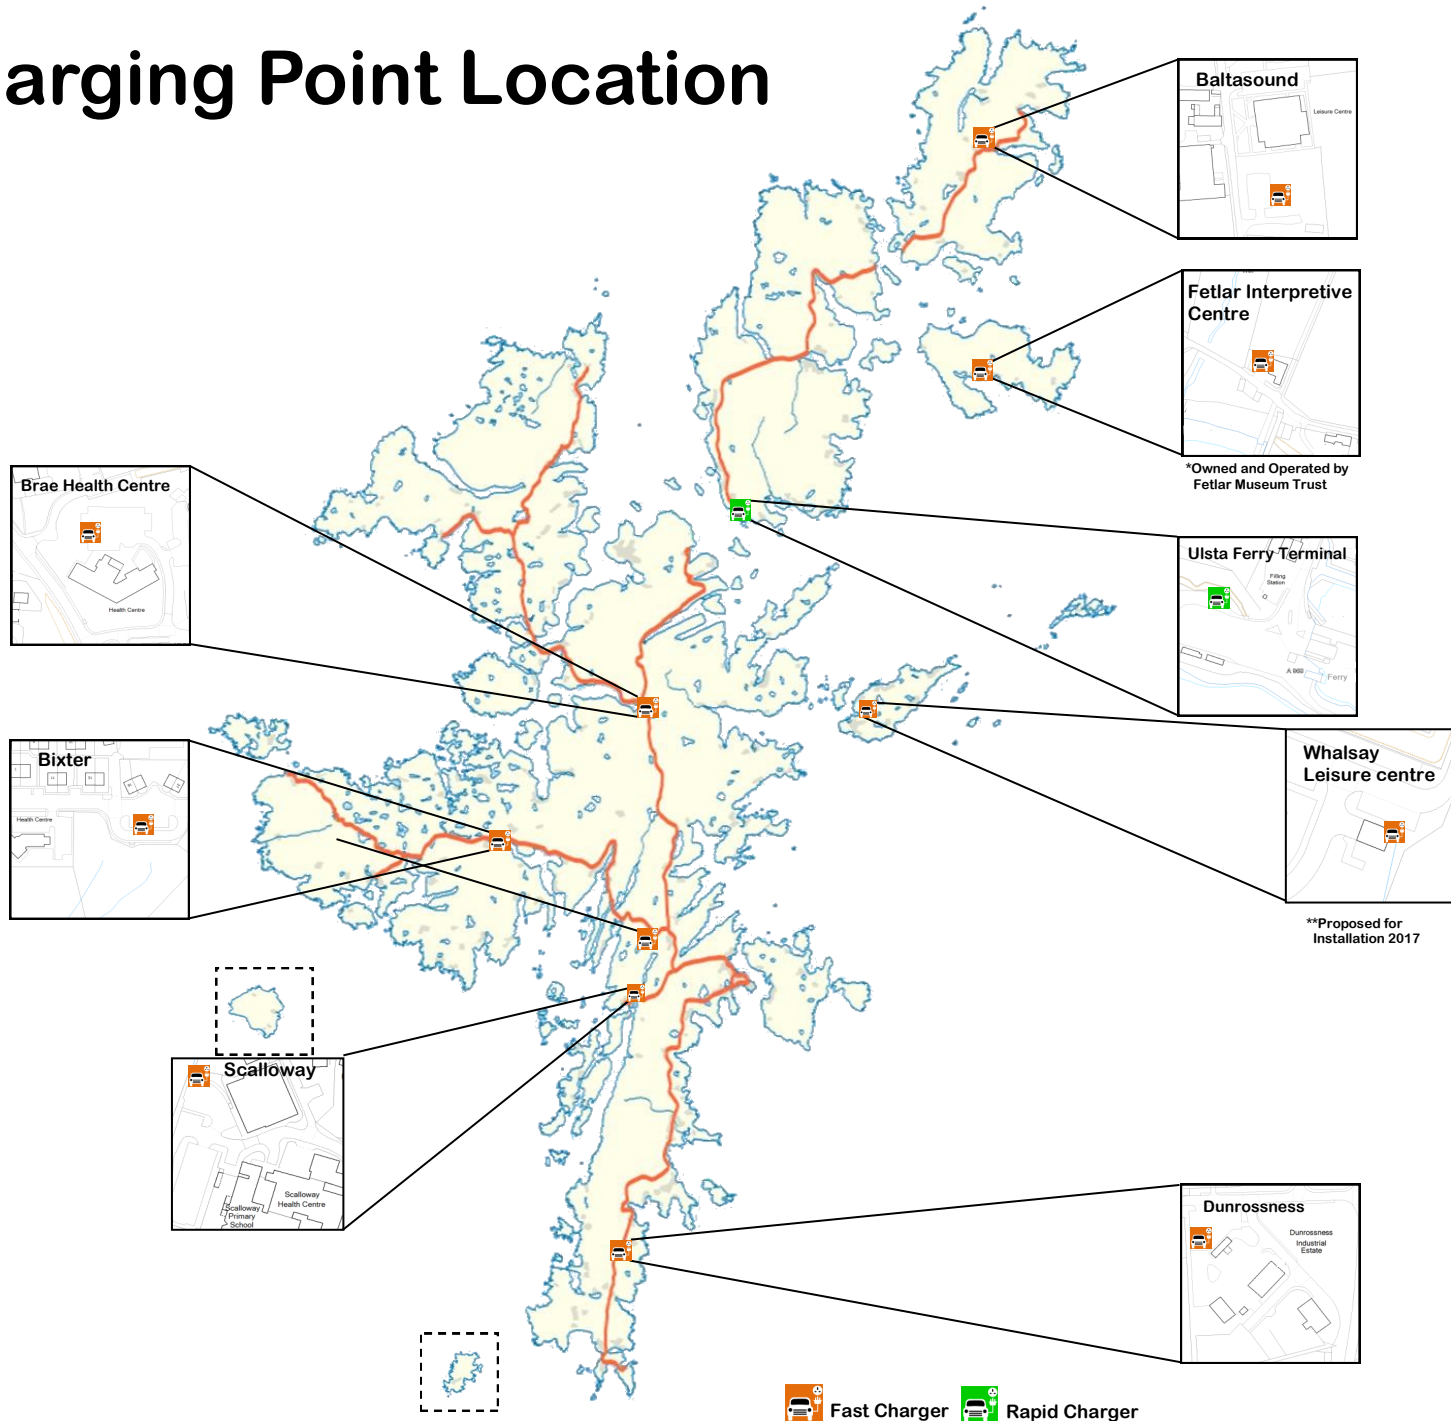

Use the RFID card to access and pay at all of the charge points on the network. Order your Access Card after you have registered your debit or credit card. Initial cost = £20 per annum.

Step 4

Charge Your Car

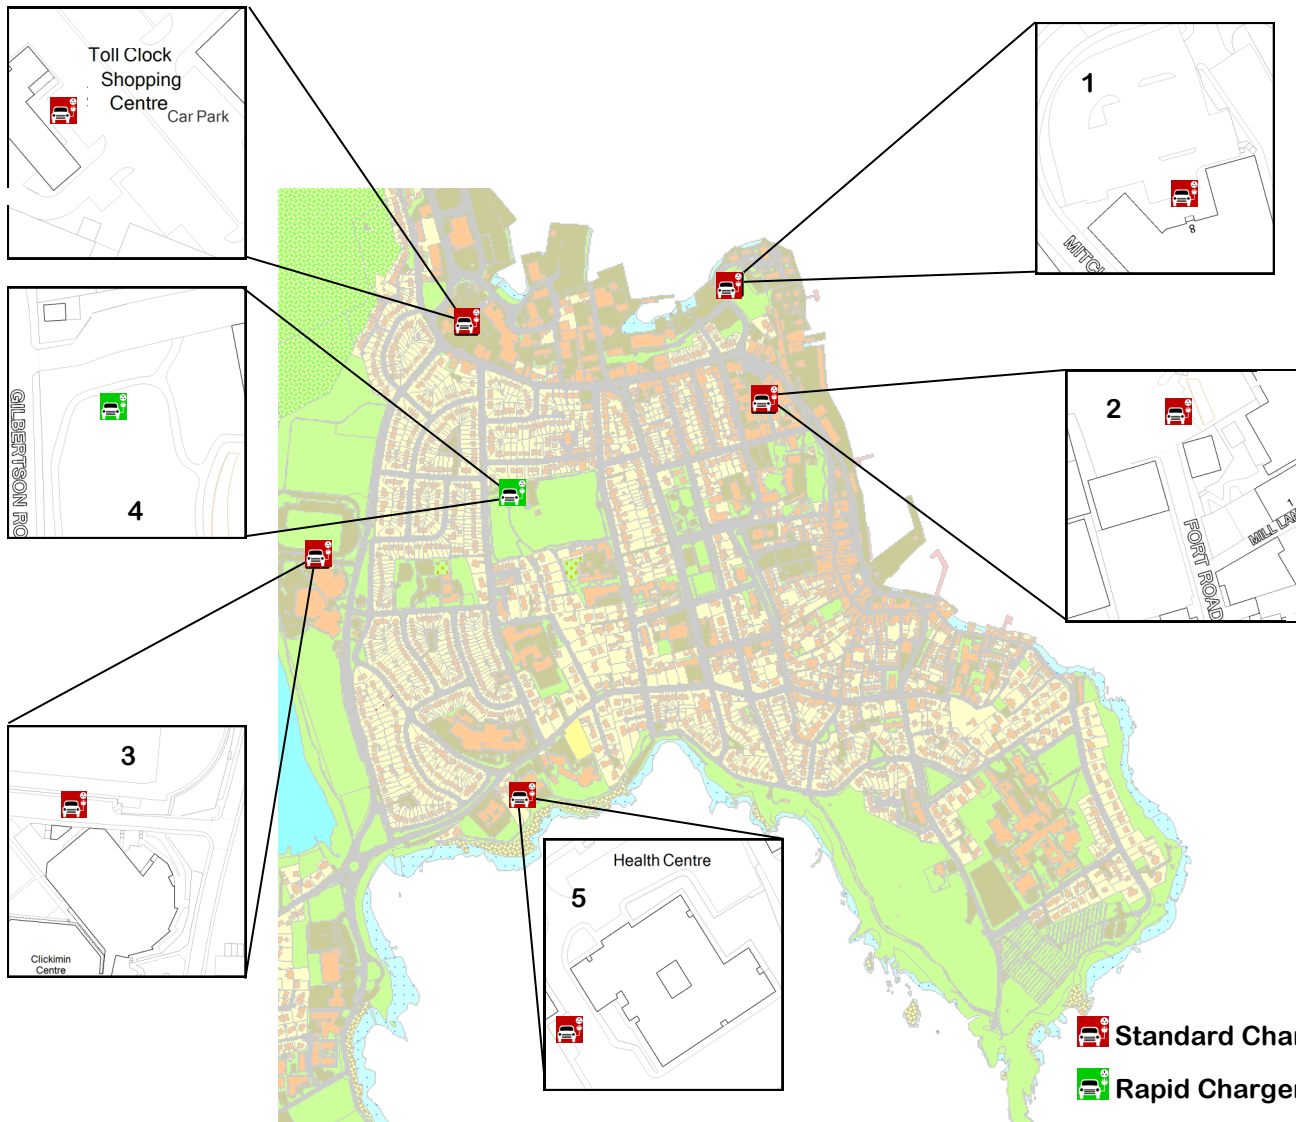

You are now ready to start using the network. If you need any assistance when charging call our Helpline on 0191 265 0500.
